### PUBLIC NOTICE FOR AN INTERNATIONAL CALL FOR APPLICATIONS FOR THE POST OF POST-DOCTORAL RESEARCHER

PURSUANT TO DECREE-LAW NO. 57/ 2016 OF 29 AUGUST

Internal Reference: DeepTech/01/2025

#### 1. Framework

The Rector of Universidade Católica Portuguesa, Prof. Dr. Isabel Capela Gil, hereby announces the opening of an international call for applications for one vacancy of junior doctoral researcher to perform duties of scientific research and knowledge transfer (with an exclusivity clause), in the scientific field of Health Sciences, Biological Sciences or related scientific fields. The research activities will be carried out at the Centre for Interdisciplinary Research in Health (CIIS), integrated at the Faculty of Dental Medicine of Universidade Católica Portuguesa, in Viseu, within the framework of the Project Deeptech Transfer (COMPETE2030-FEDER-01458500), funded through the COMPETE2030-2024-6 Collective Actions - Transfer of scientific and technological knowledge.

This project, which will run until the 31st of august 2027, has as its main objective to promote the transfer of scientific knowledge in the fields of Food Biotechnology, Heath and Information Technologies. It will promote the generation of economic value of R&D results, through strengthening of the dissemination of new technologies to the industrial sector; the knowledge transfer processes and tools; and the conditions for value creation by the transformation of innovative technologies developed by students and researchers of the regional centers of UCP in Braga, Porto and Viseu. The project will contribute to the development and sustainability of business ideas based on products and services, and effective links between actors of the innovation ecosystem.

The Junior Researcher recruited for this position will have the following main activities:

- Project management functions, including the preparation and submission of project results and reports, as well as interacting with project coordination and partners.
- Participating in knowledge promotion activities that foster technology transfer and create effective channels between academia and industry.
- Promoting the implementation of knowledge transfer methodologies that facilitate value creation.
- Participating in pre-commercial validation activities for knowledge-based technologies.

#### 2. Applicable Legislation

Decree-Law no. 57/2016 of 29 August, amended by Law no. 57/2017 of 19 July, in its current wording, which sets out the framework for the hiring of post-doctoral academics, aimed at fostering scientific and technological employment in all areas of knowledge (RJEC), without prejudice to the specific regulations applicable to the Universidade Católica Portuguesa.

### 3. Workplace

The workplace is located at the Viseu facilities of Universidade Católica Portuguesa.

### 4. Remuneration

Gross monthly pay is €2.351,53, plus meal allowance, to which will be added annual leave and Christmas allowances.

### 5. Admission requirements

Any national, foreign, or stateless candidates who hold a doctoral degree in Health Sciences, Biological Sciences

or related scientific fields, and who furthermore hold a scientific and professional curriculum vitae whose profile is suited to the activities to be performed, can submit their application. If the doctoral degree was awarded by a foreign higher education institution, said degree must comply with the provisions of Portuguese legislation regarding the recognition of foreign degrees. For those purposes, the requirements described in point no. 11 of this public notice must be considered.

#### 5.1. Specific Requirements

Holders of a PhD in the areas covered by this competition with proven professional experience in intellectual property management, technology transfer or innovation may apply for this competition, demonstrating, among other professional experiences in:

- a) management of research projects or knowledge transfer projects.
- b) research and development activities. Activities in molecular biology, development, optimization and validation of diagnostic tests will be valued.
- c) intellectual property management, technology transfer and technology road mapping.

Applicants must be permanent and habitual residents of Portugal, a requirement applicable to both nationals and foreign citizens, and must be available for national and international travel.

### 6. Selection Process

The selection process must comply with article 5 of the RJEC.

### 7. Assessment criteria

The assessment criteria are the following: scientific output and its relevance, participation in scientific projects and conferences, student supervision, scientific dissemination activities, knowledge transfer, and other relevant activities and experience. The assessment process additionally includes an interview with the candidates ranked in the top three positions if necessary.

The final candidate classification shall be given on a scale of 0 to 100. The value shall be invariably calculated considering that, for each item, only those activities relevant to the field of the present call for applications are to be considered, with the following weighting:

Cofinanciado pela  
União Europeia

### 1. Scientific and curricular background (SCB)

- a) Scientific and technological output: 40%;
- b) Applied or practice-based research activities: 30%;
- c) Knowledge extension and dissemination activities: 30%;
- d) Interview (I).

If necessary, an interview will be held with the candidates ranked in the top three positions, in order to clarify aspects related to their scientific and curricular background.

Applicants who are interviewed will be awarded a new classification – in addition to the initial one –, based on the following formula:

$$\text{Final classification} = 90\% \text{ SCB} + 10\% \text{ I}$$

### 8. Tender Selection Panel

Pursuant to article 13 of the RJEC, the tender selection panel shall be formed by:

President of the Jury: Prof. Dr. Nuno Rosa;

Other members: Prof. Dr. Ana Peixoto Gomes; Prof. Dr. Nélio Veiga and Prof. Dr. Maria José Correia.

### 9. Deliberation and publication

The panel shall deliberate by means of roll-call voting based on the adopted and disclosed selection criteria, with no abstentions allowed. Minutes of panel meetings shall be taken. These shall contain a summary of events, as well as details of the votes cast by each of the members and their respective reasoning. After all selection criteria have been applied, the panel shall prepare a ranked list of approved candidates and their respective classification. The panel's final decision shall be approved by the Rector, who shall also approve the hiring of the selected candidate.

The ranked list of approved candidates will be posted at the Viseu facilities of Universidade Católica Portuguesa, located at Universidade Católica Portuguesa, Estrada da Circunvalação 3504-505 Viseu, Portugal and will be published on the website <https://fmd.viseu.ucp.pt>. Candidates will be notified by email once this list has been made available.

### 10. Preliminary Hearing and Final Decision Deadline

After notification of the results, candidates have ten working days to respond. In the following five working days (counting from the end of the candidates' response period), the panel's final decision is issued.

### 11. Formal application procedure

Applications are formalized by sending the required documentation to [odete@ucp.pt](mailto:odete@ucp.pt).

Applications must be submitted in English.

Cofinanciado pela  
União Europeia

Applications shall include the following documents:

- a) Curriculum vitae, highlighting the scientific and curricular course (of the past five years) considered most relevant by the candidate.
- b) Doctoral Certificate with date of admission to the degree, which must be submitted as an attachment to the form mentioned in the previous point, following the instructions specified in said form.
- c) Motivation letter stating the reason for applying for this position and highlighting the candidate's experience in projects and innovation.

If the Doctoral Degree has been awarded by a non-Portuguese higher education institution, said degree must comply with the provisions of the Portuguese legislation on the recognition of foreign degrees, as set out in Decree-Law no. 66/2018 of August 16th. Entering a contract with the selected candidate is conditional on the submission of the formal document.

For additional information on this matter candidates are advised to check the website of the Directorate-General for Higher Education (DGES): <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

## 12. Application deadline

Candidates may submit their application, pursuant to the terms mentioned in the previous point, from January 19, 2026 until February 3, 2026 (until 5pm, Continental Portugal time).

Candidates who do not comply with the application's prerequisites or who fail to submit proof of meeting the requirements stated in the present public notice shall be excluded from consideration. In case of doubt, the panel is entitled to request that candidates present further documentation attesting to their written statements. Failure to submit the requested clarification, information, or documents, within five working days of being requested to do so, determines the dismissal of the application.

Any false statements made or provided by the candidates are punishable by law.

## 13. Privacy Policy

Universidade Católica Portuguesa is the controller responsible for the processing of Personal Data in accordance with Regulation (EU) 2016/679 – General Regulation on Data Protection.

The personal data submitted within the scope of this tender procedure is processed within the framework of said tender procedure only and will be treated by Universidade Católica Portuguesa with the purpose of verifying the fulfillment, by the candidates, of the assumptions established in the applicable legislation for their contracting. Opposition to the processing of data by the candidates will make it impossible to accept the application and, therefore, to analyze and evaluate it.

The personal data of the Data Subject, if it be indispensable for the fulfillment of the obligations of Universidade Católica Portuguesa, may be conveyed to third parties, namely to the Financing Entities identified in this announcement.

The data retention period shall correspond to the legally defined period of five years.

The Data Subject is entitled to oppose the collection and processing of data, has the right to verification, the right to rectification, the right to deletion, and the right to restriction of processing of the data collected. However, the exercise of such rights may be excluded when personal data is used to protect public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject is always entitled to contact and file a complaint with the Comissão Nacional de Proteção de Dados (Portuguese Supervisory Authority for Personal Data).

#### 14. Non-discrimination and equal access policy

Universidade Católica Portuguesa actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefited, impaired or deprived of any rights whatsoever, or be exempt of any duties based on their ancestry, age, gender, sexual orientation, marital status, family status, family and economic conditions, instruction, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions, and/or union membership.

#### 15. Final remarks

The present call for applications is exclusively destined to fill this specific vacancy and can be terminated at any time up to the approval of the final candidate list. The call for applications expires once the vacancy has been filled.

The present call for applications and the contract signed as a result thereof shall only take effect if financing conditions are met.

The present call for applications may be canceled when it is vacant, when any case of force majeure occurs, or when other reasons of a budgetary nature, occurring after the opening of the competition, determine it. The selected candidate shall be hired by Universidade Católica Portuguesa as a junior researcher under an uncertain term contract (contrato a termo incerto), predicted to start on March 1, 2026 with the estimate duration of 16 months (duration of the activities) which will never, under any circumstances, be superior to 24 months.
